COMMUNITY BUILDING REPORT

This year seven dinners were held in the Community Building, including one for the Heart Fund and one for the Kealey family and two for the Children's Christmas Party. We also rented the building twice for private parties. The selectmen and planning board continued to hold their monthly meetings in the building.

We would like to thank Mr. and Mrs. Arland Robitzer for painting the windows; they did an excellent job. Now we will work to finish painting the rest of the building and install storm windows.

ANNUAL SCHOOL MEETING March 13, 1979

The meeting was called to order at 8:30 P.M. by the Moderator, Mr. James J. Page. The School Warrant was read by Mr. Page. A motion was then made and seconded to recess the school meeting until the completion of the town meeting. Vote in the affirmative.

The recessed school meeting was called to order at 10:00 P.M. by the Moderator, Mr. Page. The following action was then taken on the articles in the warrant.

- Article 1. James J. Page was nominated for the office of Moderator for the coming year. The motion was seconded and the clerk cast one ballot.
- Article 2. Jean T. Longpre was nominated for the office of Clerk for the ensuing year. The motion was seconded and the Moderator cast one ballot.
- Article 3. Priscilla Boutin was nominated for the position of Member of the School Board for a term of three (3) years. The motion was seconded and the clerk cast one ballot.
- Article 4. Maxine Tyler was nominated for the office of Treasurer for the ensuing year. The motion was seconded and the clerk cast one ballot.
- Article 5. Priscilla Boutin, Chairperson of the School Board, stated that the salaries of district officers were as follows: Chairperson, \$75.00; other two Board members, \$50.00 each; Treasurer, \$50.00; Clerk, \$16.00, making a total of \$241.00. Mrs. Boutin said that there was no salary for the Truant Officer as this was an unneeded office. It was decided to consider the position of Truant Officer under Article 7 and a motion was then made and seconded to accept Article 5 as amended. Motion carried.
- Article 6. As there were no other reports a motion was made and seconded to accept Article 6. Vote in the affirmative.
- Article 7. Roy Irwin was nominated for the office of Truant Officer for the ensuing year. The motion was seconded and the clerk cast one ballot. Iona Boutin was then nominated for the office of Auditor for the ensuing year. The motion was seconded and the clerk cast one ballot.

Article 8. Mr. James J. Page requested that John Elliott, Jr. take his place as Moderator so that he could ask some questions on the school budget. Mr. Elliott then took over as Moderator. It was then agreed to permit Mr. Harold J. Haskins, Assistant Superintendent of Schools, to answer questions. Mr. Page then asked Mr. Haskins to explain a discrepancy in the figures given in the Town Report on page 29 under "Estimated Income for 1979-1980". Mr. Page pointed out that the National Forest Reserve figure should be \$4,331.83 instead of \$2,282.82 and that the Trust Fund Income figure should have been listed as \$132.24 instead of \$50.00. Mr. Haskins said that the figures as listed in the report were a misprint, that the figures had not been properly recorded and he will change them. Mr. Page then said that the correct figure for the "Estimated Amount to be Raised by 1979 Property Taxes" should be listed as \$69,454,89. Mr. Haskins then said that he would list this amount as the estimated amount to be raised by taxes. Mr. Elliott then stepped down and Mr. Page resumed as Moderator. At this point Mr. Jacob Aldrich made a motion that the school meeting be adjourned to a later date so that there could be a proper and detailed discussion of the budget. The motion was seconded and a vote in the affirmative resulted. Mr. Arland Robitzer then requested that the meeting be arranged so that Mr. Haskins would again be present to answer questions. The meeting was recessed at 10:30 to a later date, time and place to be set by the School Board.

ANNUAL SCHOOL MEETING March 28, 1979

The recessed School District Meeting of March 13, 1979 was reconvened on Wednesday evening, March 28, 1979 at 7:30 o'clock at the Community Building. The Moderator, Mr. James J. Page called the meeting to order and then read Article 8. Maxine Tyler read the minutes (Article 8) of the March 13th meeting. The following discussion and action then took place.

Article 8. Mr. Jacob Aldrich stated he wished Mr. Mullen had been present. He also stated we do not have proper Communications with Supervisory Union #23. Mr. Aldrich asked Mr. Haskins for an explanation of the difference in the tuition figures for the Junior High and the Senior High. Mr. Haskins explained the procedure of tuition figures. The increase in Junior High is because more money was put in making better programs than in Senior High.

Mr. Aldrich then asked about Busing Contracts, stating that other towns have 3 year contracts instead of five year contracts. He said we have a 70% increase in costs. Mr. Haskins agreed a 70% increase is a large increase over a 5 year period. The new \$12,000 contract calls for \$.81 a mile and the old contract was \$.56 a mile. Mr. Aldrich pointed out a discrepancy in mileage of over 2,000 miles on the transportation information sheets between the figures for 1978-1979 and 1979-1980. It was explained that the 1978-1979 table did not include the Benton Flats mileage. It was felt we were not given true figures on transportation. There are 12 children in Benton Flats but the figure fluctuates. We have to allow for children coming in and dropping out. Mr. Robitzer told about the Blue Mt. transportation figures. Mr. Haskins feels the figures are comparable to other places in the area. Priscilla Boutin told about the old contract of \$5,500. With the increase of children Mr. Clough had asked for \$1,500 more. Mr. Robitzer asked if an escalation clause could be included in the contract if gas should go over \$.80 a gallon. The new contract is for 55 pupils with gas figured at \$.80 a gallon. Priscilla Boutin mentioned that Mr. Hardy had asked to have transportation of his children and that the State had informed the School Board that we had to transport the children. It was mentioned that maybe it would be wise to transport

Benton Flats children ourselves. Mr. Haskins said that the round trip to Benton was 60 miles and to Benton Flats 28 miles, a 2/3 to 1/3 ratio. Mr. Robitzer said Benton in another two years would not be the same with world affairs as they are going and gasoline and oil would affect everyone. Mr. Haskins remarked that some thought is being taken on running schools more in warmer weather to save energy. We are just touching the surface to save energy.

The suggestion was made to transport grade school children only but this was thought not a good idea.

Kindergarten was discussed. It was believed that we would have 3 pupils instead of 2. It was suggested to discontinue Kindergarten and have Mothers get together as they did a few years ago. It was discussed but no one made a motion so the matter was dropped. There were only 14 voters present.

A motion was then made and seconded that the District raise and appropriate for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of statutory obligations of the district, the sum of \$75,075.96. Motion passed. Vote in the affirmative.

Article 9. As there was no other business a motion was made to adjourn. The meeting was adjourned at 9:00 P.M.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my fifteenth annual report to the voters of the Benton School District.

The priorities of any organization are changing constantly depending upon resources available to a company, school or other agency. With the advent of a possible recession, high energy costs, more bureaucratic red tape, programs foisted on local school district, shrinking dollars, etc., we must address ourselves to providing every economy and, at the same time, provide for a good educational system within the ability of the community to support the schools economically.

An interesting study has recently been released comparing the priorities of school boards to those of the general public. This is a nationwide study and would vary in different parts of the country. It does, however, serve as a frame of reference for all of us to study.

Declining Enrollments

Many of the priorities listed above are evident in our community and, it appears that school boards are working at cross-purposes with the general public. But, when working with the general welfare of everyone, not your own personal or group priorities, your perspective changes dramatically.

Energy and inflation are the two greatest problems facing us from an economic point of view. In June of 1978 #4 fuel oil cost school districts \$13.25 per barrel (42 gallons), and at the present time the cost is \$32.57 per barrel. We have been told that in the fiscal year 1980-81 #2 fuel oil will cost in the neighborhood of \$1.35 to \$1.50 per gallon. In order to budget for energy we have more than doubled our costs for next year.

Inflation is no better. Economists are telling us that inflation is running at 13.3% and we can expect double digit inflation for the foreseeable future.

These concerns in our economy are having a disastrous effect on school costs. We cannot control the costs, but we are trying to budget very carefully in all areas so that taxes may be held to a minimum.

Our enrollments for this school year are as follows:

Kinderga	irten	3	Grade	7	8
Grade	1	2		8	6
	2	4		9	6
	3	5		10	3
